<p>Humanities</p>	<p>Go on a journey at look at the local environment - what do they children see? Make a list of what they see. Year 1s could split their list into man-made and natural objects.</p> <table border="1" data-bbox="400 1007 618 1126"> <thead> <tr> <th>Man Made</th> <th>Natural</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> </tr> <tr> <td></td> <td></td> </tr> </tbody> </table>	Man Made	Natural					<p>Can you find out and make a poster about eco-friendly transport?</p> 	<p>Get your child to plan their own journey to school. How will they get there? Make a map of their journey.</p> 	<p>Make a weather diary (linked to Welsh) for a week.</p> 				
Man Made	Natural													

If you have any creative ideas of your own which you would like to do one week instead of doing one of the projects that's great. Any word processing other ICT based learning, needs to be uploaded onto your child's Hwb folder.

Please remember your Hwb folders are where you store your home based **digital learning** only. Your child can go on to <https://hwb.wales.gov.uk/> and log in on the top right. Once they have logged in click on j2e on the top right. You then need to select the JiT program. Once you are on JiT you can select different activities to do on the top right. Please give your child the opportunity to have a go on the different programs that Hwb has to offer.

I look forward to seeing your wonderful creations!

Mrs Yorke
