Stars of the Week

Class Unicorn - Edie

Class Dragon - Harri

Class Griffin - William

Class Phoenix - Dima

Your Governing body needs you!

There are approx. 6 meetings held per year and this will give you a key role in supporting the school.

Any interested parties should apply in writing to the clerk (Katy) by 7th Oct.

Parent Consultations

Following the class meetings in September we will be holding parent consultations to discuss how your children have settled in, in the new term.

10-minute appointments can be made from 1-5pm.

If you are unable to attend, please contact the class teacher for an alternative date and time. This maybe face to face or via the phone.

Monday 17th October - Class Unicorn

Tuesday 18th October - Class Dragon

Wednesday 19th October - Class Griffin

Friday 21st October - Class Phoenix

Swimming Payments

Thanks to all parents who have paid for this week (and some this terms) swimming sessions.

If you haven't already paid for the previous weeks, please just add it to next week's money.

You can obviously pay however much you want either weekly (£3), monthly (£12) or for the whole term (£24) but please make sure the money comes in a named envelope so we can keep a record of who has and hasn't paid.

Thank you

Cadbury World

Class Griffin's trip to Cadbury World is coming up in a couple of weeks so if you still need to pay, please go onto Parent Pay and there is a payment items set up to do this. Anyone not on Parent Pay can bring the cash into school.

The cost is £24

Thank You

School Tidy Up Day

Following discussions with the Friends of Berriew group it is clear that school parents are concerned about the appearance of the school and general tidiness of the school grounds.

Since the beginning of the term, we have been trying to reorganise the inside of the school with new classes and getting rid of old furniture and resources. A second skip has been arranged to remove the rubbish from the school site.

However, we are aware that the field, trees, and building need some additional TLC. The local authority does not help with clearing gutters, window cleaning etc and so it falls on the school to do this.

We have been in discussions with the LA for a while now about redecorating the outside of school but to no avail. As a result, several parents have suggested that we pull together as a school community to do this work.

Consequently, we are looking out for volunteers with some skills to help clear the gutters, tidy up the trees and cut back nettles etc. If anyone can do anything with our willow tunnel that would be helpful and other people are just needed to help clear things away and sweep up around school. With support from Montgomeryshire Wildlife Trust and the Pre-school we hope to develop the outside field area this year following on from the outdoor classroom that was erected last year.

If you can help, please let the school know and we can then set a date to have a 'Tidy up day' (maybe a few bacon butties and tea can be thrown in to keep you going). Thank you.

Macmillan Coffee Morning

Thank you to all who came along to today's coffee morning in aid of Macmillan Cancer Care and thank to everyone who very generously donated cakes and money towards such a good cause.

Pre-School staff and parents were manning the tables and Dylan, Cody, Scarlett, Sali-Ann and Olivia J from Class Phoenix helped serve cakes and tea, wash up cups and clear the tables.
