We would like to Nick and Kim for their amazing efforts using their drone to film the school for the website.

We can't wait to share this with you!

Class Unicorn and Dragon Activities

On Friday 28th October children from Classes Unicorn and Dragon can dress up in Halloween themed clothes if they would like to.

Both classes will be doing lots of fun activities throughout the day.

Swimming Payments

Thanks to all parents who have paid for this week (and some this terms) swimming sessions.

If you haven't already paid for the previous weeks, please just add it to next week's money.

The weekly payments are £3. Please make sure the money comes in a named envelope so we can keep a record of who has and hasn't paid.

Just to advise that the payments will be set up on Parent Pay for next term. If you don't use Parent Pay then you can obviously still just send cash in.

Thank you

Pupil Deprivation Grant

All schools receive pupil deprivation funding which we can use to support families and children who receive free school meals, are classed as vulnerable or in low income situations. The funding can be used to support the purchase of clothing, music lessons, school trips etc

If you feel this applies to you, please contact Mr Clarke on head@berriew.powys.sch.uk to discuss accessing this fund.

Berriew Cookbook

Please can we remind parents that we are planning to bring out an updated version of the Berriew Cook Book so if you would still like to contribute to this with your recipes please email the office by 24th October at the very latest.

They would make a lovely gift for Christmas perhaps, so we would really appreciate your help.
