

## Autumn Term Reception & Year 1 Homework Grid

### Celebrations!

Please choose one piece of homework each week to complete. Make sure you choose homework from different sections of the grid and hand one piece in each Monday. Homework is not marked but is shared with the class on a Monday morning. If you do not yet have a HWB password... bare with us, we will sort this out soon, for now ou can send me a photo on dojo and I can share with the class.

Or...

Create a wedding headdress, button hole or a bouquet. Maybe you could use things found in the garden, junk modelling or tissue paper!

Learn a Christmas song and practise at home! (Nearer Christmas)

If you have any creative ideas of your own which you would like to do one week instead of doing one of the projects that's great. Any word processing and other ICT based learning needs to be uploaded onto your 'Celebrations' Hwb folder. Please remember your Hwb folders are where you store your home or school based **digital learning** only. Your child can go on to <https://hwb.wales.gov.uk/> and log in on the top right. Once they have logged in click on j2e on the top right. You then need to select the JiT program. Once you are on JiT you can select different activities to do on the top right. Please give your child the opportunity to have a go on the different programs that Hwb has to offer.

I look forward to seeing your wonderful creations! Mrs Conlin
