

Summer Term 2022 Griffin Class - Pirates, Mermaids, and the Seven Seas Homework Grid

Please choose one piece of homework each week to complete.

Make sure you choose homework from different sections of the grid and hand one piece in each Monday.

Language, Literacy & Communication

Write a pirate or mermaid themed story. Don't forget to illustrate it beautifully too!

Write a fact file about a famous pirate.

Pirate fact file

Pirate name	Picture
Real name	
Name of pirate ships	
What did he or she do?	

Become a poet and write an acrostic poem about your favourite sea creature.

ACROSTIC POEM

Octopus

O _____
 C _____
 T _____
 O _____
 P _____
 U _____
 S _____

Write a quiz about oceans, seas, and their underwater life. Ask your family to complete it, then bring it into school and ask your friends to complete it as well.

Science & Technology

Make your own pirate ship which can float.

Go online and test yourself to see if you can learn the continents and oceans:

[World: Continents and Oceans \(Cartoon Version\) - Map Quiz Game \(seterra.com\)](#)

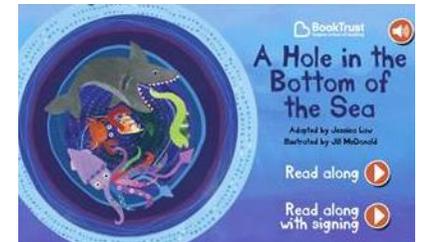

Make a PPT linked to our topic. Upload it to your Hwb folder and present it to the class like the teacher!

Read some books on the Booktrust website:

www.booktrust.org.uk

Expressive Arts

Design your own pirate flag.

Use different art materials to make a sea collage.

Learn and perform a song linked to the topic. Can someone record you and upload it onto Hwb?

The Pirate Song

When I was One, I played the drum, the day I went to sea.
 I jumped aboard a pirate ship and the Captain said to me:
 We're going this way, that way, Forwards backwards,
 over the deep blue sea.
 Some bubblegum to fill my tum and that's the life for me.

Use food colouring to colour sand. Can you make a picture with it?

Working Together

Look at a map of the world with a grown up and make a list of all the places you have been to or would like to visit.

Create your own pond using a bucket or basin of water.

Create a treasure map and go on a treasure hunt with your family. Can you make up your own clues?

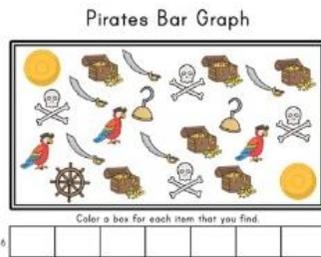

Make some topic themed food and eat it!

Maths, thinking skills, Logic, Problem solving)

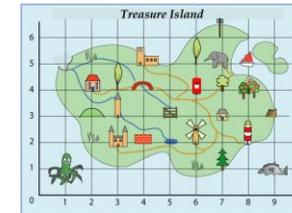

Complete the pirate bar graph, which has been sent home.

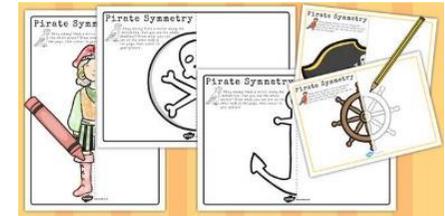

Go onto the **Topmarks** website and play 'Pirate Treasure Hunt'!

Using your treasure map add in coordinates and use directional language to explain where things are.

Complete the pirate symmetry sheets sent home.

Welsh Dimension

Research the Welsh pirate Barti Ddu.

Improve your Welsh vocabulary by visiting the **Campau Cosmig** app.

Play some games in Welsh on this website: www.learnwelsh.net

Look at a map of Wales. Write a list of some of the rivers and lakes you can find.

If you have any creative ideas of your own which you would like to do one week instead of doing one of the projects that's fine. Any word processing, photos, PPTs or other ICT based learning needs to be uploaded onto your 'Pirates and Mermaids' Hwb folder.

Please remember your Hwb folders are where you store your **home or school based digital learning only**.

You need to remember to leave a brief comment for the teacher each time you upload or do some homework on Hwb otherwise we don't know you have been busy doing extra learning!

We look forward to seeing your wonderful creations!
