If you have any creative ideas of your own which you would like to do one week instead of doing one of the projects that is fine. Any word processing, photos, PPTs or other ICT based learning needs to be uploaded onto your 'Mexico' Hwb folder. Please remember your Hwb folders are where you store your **home or school based digital learning only**.

You need to remember to leave a brief comment for the teacher each time you upload or do some homework on Hwb otherwise we don't know you have been busy doing extra learning! Remember to bring in your new homework sheet so you can collect your stamps. You can pick a prize from the treat box when you collect 20 stamps! We look forward to seeing your wonderful creations!
